

Baby Shower Poopy Diaper Game

Supplies Needed:

6 clean diapers
A variety of fun size candy bars
Spoon, bowl
Microwave
Marker
Printed out game cards

Preparations:

Set the 6 diapers out and place 3 types of candy bar by each one. Unwrap and roughly chop each candy bar and place in the bowl. Microwave all 3 types of candy bar in the bowl for about 10 – 15 seconds. Stir just a little bit and spoon into a clean diaper. Roll it up and mark it with the number on the outside of the diaper. Continue with all 6 diapers.

To Play:

Hand a game card and pen to each player. Pass out the 6 diapers and allow players to unwrap them. They must guess what 3 candy bars are in each diaper and write down their guesses on the player card. Players may touch, smell and taste (if they dare!) the candy. Once all diapers have circulated the group the leader reads the correct combinations. The player with the most correct answers WINS!
