

You have to lick \_\_\_ (insert name)'s armpit

You have to eat a teaspoon of mayonnaise

You have to dance the Macarena

Put on a blindfold and touch another person's face and try to guess who it is

You have to repeat everything \_\_\_\_\_ (insert name) says for the next entire round

Put on a blindfold and sniff another player's feet. See if you can identify them by smell alone.

See how many marshmallows you can fit into your mouth

Sing everything you say for the next round.

Proclaim your undying devotion to the next person who walks into the room.

Cluck like a chicken every time someone says your name. Continue this for the rest of the game.

Put lipstick on another player, but you are not allowed to use your hands.

Name all seven of Snow White's dwarfs.

Do an impression of another player. Continue until someone is able to guess who you are impersonating.

Begin everything you say with the phrase "your mom says." Continue this for the rest of the game.

Touch your elbows together and hold them that way for the next round

Take off the player to your right's sock with your teeth.

Sing (a popular song) like it is a church hymn/primary song.

Draw a fake mustache on your face.
